About SSSTS

It is endorsed by the United Kingdom Contractors Group (UKCG) as the standard training for all supervisors working on UKCG sites and provides an understanding of health, safety, welfare and environmental issues. It highlights legal responsibilities and the need to promote health and safety to supervise effectively.

This course is designed for those people who work in construction and want to advance their career and qualifications and becomes responsible for supervising a working task force.

At the end of course, learners should understand and be able to demonstrate the responsibilities of the supervisor in controlling health and safety on site and how to carry out their duties.

Key Facts

- **Course Duration:** 2 Days
- **Venue:** Canning Town, London
- **Price:** £200.00 (All prices subject to VAT)
